PROFILE

I am a trilingual full-stack web developer with solid experience in Marketing and Business Operations. Fully understanding both company and customer needs has given me a clear advantage when developing intuitive yet result-oriented user experiences.

I am looking for a junior position in a dynamic, purposeful and diligent team, who never shy away from a challenge, to continue to improve my skills while building meaningful projects.

FULL-STACK WEB DEVELOPER EXPERIENCE

HIGHLIGHTED PROJECTS

OCT 2022 - APR 2023

Bootcamp Factoría F5

- **Frankenwheel of Doom:** collaborative group design and development of a Wheel of Doom Halloween game using HTML, CSS, JS and Agile/Scrum methodologies.
- **Back-end of a portfolio:** collaborative pair development of a REST API using Typescript, Express.js and Agile/Scrum methodologies.
- **Front-end of a personal portfolio:** individual design and development of a web page using HTML, TailwindCSS and JS.
- **Coders A Bordo:** collaborative group design and development of a game for the onboarding of web developer students. Back-end: nest.js REST API with MongoDB. Front-end: React.js and Styled-Components. Agile/Scrum methodologies.
